**Hall 4, Booth 149**

## The future of drive technology

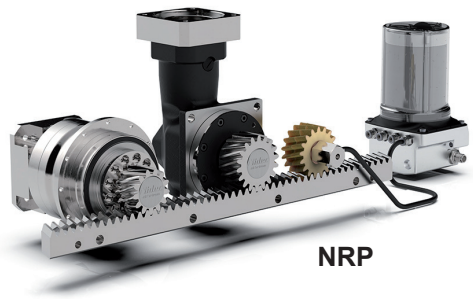

### Experience innovations live at SPS in Nuremberg

Find out more about the latest developments in drive technology at our booth. With new products like the FLEXDRIVE and other innovative solutions, we'll show you how precision, dynamics, and efficiency can be perfectly combined.

Take this opportunity to discuss your projects and requirements directly with our experts. Together we'll develop the ideal solution for your application – customized, high-performance, and precisely matched to your needs.

### Your benefits at a glance

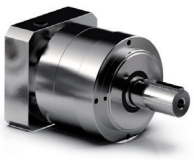

- New products and the latest technologies
- Personal consultation
- Customized solutions
- 4 Nidec Business-Units under one roof
